

Gripple Y-Fits

Single point suspension that allows two points to be suspended using one Gripple fastener.

PRODUCT INFORMATION

- Two legs improve centre of gravity and increases stability
- Ideal for services that require maintenance or access when used with a snap hook end fixing.
- Available in the full range of end fixings, in Gripple sizes No.1 – No.3 with a 5:1 Safety Factor.
- Y-Fit Accessory is designed for use with a standard Gripple Hanger kit, for longer drops and increased adjustment.
- Made to customer specification.
