Welcome

Since 1972, PHD Manufacturing has established itself as a leading domestic manufacturer in the commercial and industrial plumbing, mechanical, electrical, and fire protection industries. As a privately owned company, PHD has the flexibility to tailor to your needs. We have built our reputation on problem solving solutions, competitiveness, service, large inventory, and on time deliveries. PHD has dedicated itself to delivering standard, stainless steel, or hot dipped galvanized products to meet all your needs and deadlines.

You can depend on PHD for quality products and exceptional customer service - the entire PHD family knows these are the reasons customers keep coming back year after year. Customers are considered part of The PHD family. PHD is large enough to meet your needs and small enough to know your name. To find out more, give us a call.
